

Veterinary Cannabis Guide

Class Schedule

Welcome to class!

We are excited to welcome you to our Veterinary Cannabis Guide (VCG) certification course. Below you will find the course schedule.

In our flipped classroom education model, new subject material is presented in a self-paced, multi-modal learning format to allow students to familiarize themselves with the topic prior to participating live classroom sessions held via webinar.

Discussion webinars are held every 2 weeks to allow students time to be prepared to participate in the discussion. Attendance is required at all four live classroom discussion webinars.

Please reach out via email (learning@veterinarycannabis.org) if you have any questions as you prepare for class!

Sincerely,
 The Veterinary Cannabis Learning Team
