

# Veterinary Cannabis Counselor

## Class Schedule

### Welcome to class!

We are excited to welcome you to our Veterinary Cannabis Counselor (VCC) certification course. Below you will find the course schedule.

In our flipped classroom education model, new subject material is presented in a self-paced, multi-modal learning format to allow students to familiarize themselves with the topic prior to participating in a live classroom session held via webinar.

Each of the six modules consists of pre-class work and a facilitated live classroom discussion via webinar. Discussion webinars are held every 2 weeks to allow students time to work through assignments and be prepared to participate in the discussion.

Attendance is required at all six live classroom discussion webinars.

Please reach out via email ([learning@veterinarycannabis.org](mailto:learning@veterinarycannabis.org)) if you have any questions as you prepare for class!

Sincerely,  
 The Veterinary Cannabis Learning Team
