

## Veterinary Cannabis Guide Class Schedule

New subject material is presented in a self-paced learning format with recorded lectures, reading assignments and projects. Each of the four modules consists of pre-class work and a facilitated live discussion via webinar. Discussion webinars are held every 2 weeks to allow students time to work through assignments and be prepared to participate in the discussion.

<b>Curriculum Outline</b>	<b>Type</b>	<b>Date - Fri 5–6:30 PM (MST)</b>
