

Veterinary Cannabis Guide Class Schedule

New subject material is presented in a self-paced learning format with recorded lectures, reading assignments and projects. Each of the four modules consists of pre-class work and a facilitated live discussion via webinar. Discussion webinars are held every 2 weeks to allow students time to work through assignments and be prepared to participate in the discussion.

Curriculum Outline	Type	Date - Fri 5–6:30 PM (MST)
VCG Start Date – Access to all material	Students will be given access to course materials for self-paced study before the live webinar discussions	5/21/21
