

## Veterinary Cannabis Guide Class Schedule

New subject material is presented in a self-paced learning format with recorded lectures, reading assignments and projects. Each of the four modules consists of pre-class work and a facilitated live discussion via webinar. Discussion webinars are held every 2 weeks to allow students time to work through assignments and be prepared to participate in the discussion.

| <b>Curriculum Outline</b>  | <b>Type</b>  | <b>Date - Fri<br/>5–6:30 PM<br/>(MST)</b> |
|--|--|---|
